Seminary Ridge Museum and Education Center Announces Staff Reorganization

On Tuesday, May 26, 2020, the Board of Directors of Seminary Ridge Historic Preservation Foundation, which operates Seminary Ridge Museum and Education Center, met to consider corporate responses to the pandemic and recession, including approval of a staff reorganization plan. Peter Miele was elected Executive Director of Seminary Ridge Museum and Education Center. Dr. Daryl Black continues as President of Seminary Ridge Historic Preservation Foundation. Miele has served Seminary Ridge Museum and Education Center since 2013 in a variety of roles in education and operations. Since 2015, Dr. Black has been employed as both President of Seminary Ridge Historic Preservation Foundation and Executive Director of Seminary Ridge Museum. The transition takes effect immediately.

Emried Cole, Chair of the Board of Directors, observed that “The Ridge Foundation is very fortunate to have the services of two highly skilled executives in Pete Miele and Daryl Black. The staff reorganization positions the Foundation not only to respond to the pandemic and recession but also to prosper in a post-crisis environment.”

Seminary Ridge Museum and Education Center, located at 111 Seminary Ridge, Gettysburg, PA, is currently closed due to the COVID-19 pandemic.
